Alaska® FISH FERTILIZER 5·1·1

Fish has been used as a natural source of plant nutrients for centuries. Alaska Fish Fertilizer 5-1-1 provides a rich source of organic matter that breaks down and releases nutrients into the soil to enhance the strength and vigor of your plants. Additionally, naturally occurring soil microbes thrive and work their best in soil rich in organic matter.

Alaska Fish Fertilizer is ideal for use on all plants including Vegetable Gardens, Fruits, Roses, Shrubs, Trees and Container Plants.

SHAKE WELL: Ingredients may separate during storage. Avoid excess heat in storage. Apply only when diluted with water in accordance with directions. Do not store mixed solution.

- **APPLICATION FREQUENCY:** Apply every three weeks during the growing season at the recommended rates.
