

FRANKLIN INDUSTRIAL MINERALS

April 12, 2007

Ron Jufes
Seven Springs Farm
426 Jerry Lane
Check, VA. 24072

Dear Mr. Jufes,

This letter is to certify that the high calcium limestone produced by Franklin Industrial Minerals is a naturally occurring limestone with processing limited to mining, pulverizing and packaging.

If you have any other questions, please contact us at 1-800-626-8147

Sincerely,

FRANKLIN INDUSTRIAL MINERALS

Dennis Coburn
Director of Sales-Limestone
