Executive Director

Product review is conducted according to the policies in the current OMRI Policy Manual and based on the standards in the current OMRI Standards Manual.

To verify the current status of this or any OMRI Listed product, view the most current version of the OMRI Products List at www.omri.org.

OMRI listing is not equivalent to organic certification and is not a product endorsement. It cannot be construed as such.

Final decisions on the acceptability of a product for use in a certified organic system are the responsibility of a USDA accredited certification agent.

It is the operator's responsibility to properly use the product, including following any restrictions.
